

Remember When

Chevelle

Nowhere

Remember your souvenirs
The memory's fuel in space
When you're drifting off to nowhere

Nowhere

Remember when
We're right side up
Yet I'm falling off

The hope was to fool yourself
To suffer was worth the cause
As we're drifting off to nowhere

Nowhere

Nowhere

Remember when
We're right side up
And yet I'm falling off

Remember when
Remember your youth instead
When you're drifting off to nowhere
Nowhere

Nowhere
We're right side up
And yet I'm falling off

Remember when
Remember your youth instead
When you're drifting off to nowhere
Nowhere

Nowhere
