

And I don't think I'd like to feel this,
I wanna make the craving stop now
so clearly now there're forces coming down.
I like now
You're some bothersome bunch of few
And they carry bottles with messages
stop throwing them at me.
And I pass them on, the splendor's overwhelming
haven't spoken, waiting for the right time,
now my cat is cross and waiting
lying in the yard

Saying join me
join me
join me
I would be

And I don't think I'd like to fear this,
I wanna make the craving stop now
so clearly now
there're forces coming down.
I like now
