

Well Enough Alone

Chevelle

Walk down the realm
Hint to no one that this
Generic bond exists
Evil shows another side

And like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't reveal

Why we leave?
Well enough alone
Never thought about the shame

So fed up, what's with the scenes?
Observe and leave instead
This pity wagon penetrates my skin
So sensitive, makes me sick

And like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't reveal

Why we leave?
Well enough alone
Never thought about the shame

The old and the aged
Pulled, never knew what hit
The old and the aged
Pulled, never knew what hit

And like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't reveal

Why we leave?
Well enough alone
Never thought about the shame

Why we leave?
Well enough alone
Never thought about the shame
