

## 12 Rounds

**Chevy Woods**

Oh, they said they don't fight like this no more

Baby wanna spar, she don't get enough  
Put my gloves on, then I beat it up  
12 rounds, beat it up, 12 rounds, beat it up  
12 rounds, beat it up, 12 rounds, beat it up

Baby wanna spar, she don't get enough  
Put my gloves on, then I beat it up  
12 rounds, beat it up, 12 rounds, beat it up  
12 rounds, Put my gloves on, then I beat it up

You gon get it later off on how you actin' now  
I'm a put my gloves on and play Pacquiao  
That king-size bed, that's the boxing ring  
Oh, we gon fight, I'm just waitin' for the bell to ding  
I'm the champ baby girl, you ain't gotta ask  
In the bedroom's sponsored by Everlast  
I promoted this myself, call me Don King  
I'll have you floatin' like a butterfly, Ali  
Cahlistetics, speed bag  
Straight down the middle girl, I got a mean jab  
Mayweather fast or Butterbean slow  
Uppercuts, right hooks and watch her knees go  
Oh, the ref don't wanna stop the fight  
I'm a play Michael Tyse, let me knock you out tonight  
Difference is, I'm getting weeded up  
Taking my gloves off after I beat it up

Baby wanna spar, she don't get enough  
Put my gloves on, then I beat it up  
12 rounds, beat it up, 12 rounds, beat it up  
12 rounds, beat it up, 12 rounds, beat it up

Baby wanna spar, she don't get enough  
Put my gloves on, then I beat it up  
12 rounds, beat it up, 12 rounds, beat it up  
12 rounds, gloves on, then I beat it up

You was talkin' all that shit when we was weighin in  
I got the contract, I just need a pen  
And the physical to show me what your body like  
In the interview I said you goin' down tonight  
They said what round, I said I don't know  
I'm just down to let the girl give me low blows  
Cause I might have her corner, throwin' in the towel  
Trained a little harder, I went the extra mile  
24/7, like it's HBO  
I throw my robe on and now I'm good to go  
Fireworks going off, walkin to the ring  
It's the main event, our faces on the screen  
That's Rocky, Apollo, need that water bottle  
Between rounds it's models, docs askin if you follow  
You want a re-match, you gon need a lawyer  
Cause I'm the golden boy bitch, Dela Hoya

Baby wanna spar, she don't get enough

Put my gloves on, then I beat it up  
12 rounds, beat it up, 12 rounds, beat it up  
12 rounds, beat it up, 12 rounds, beat it up

Baby wanna spar, she don't get enough  
Put my gloves on, then I beat it up  
12 rounds, beat it up, 12 rounds, beat it up  
12 rounds, gloves on, then I beat it up
