Yeah yeah yeah aye yeah yeah

I told her find it  
I don't give a fuck about that shit, had to remind her  
Big joint in my ashtray, blue hundreds the fast way  
I ain't got not time to argue, she just want the last say  
White girl white girl  
I just pulled out the pot, her ass fat  
Hellcat, donuts in the parking lot  
Used to be a runner but you know I had to graduate  
You can't get shit sitting on your ass, let that marinate  
No EDD to PPP  
All you niggas broke again  
Called her over just for top, she thinking we got hope again  
Nah bitch you wrong bitch

Put this whole dick in your mouth and all you get is "way to go"
