

## Forever

Chevy Woods

I just made a play on your bitch she in love with my watch, yea  
h yeah ooh  
I ain't finish school from the school of hard knocks make more  
money than the teachers too  
Got some cousins I ain't seen in a while when they ask me how I  
'm doing I just tell em cool  
Taylor Gang and I put that on everything if you get to tripping  
I'm a fucking fool  
Yea I'm way up way up way up  
Tell them pussy niggas I ain't tripping 'cause I'm way up  
Balling on you niggas this a motherfucking layup  
I remember all the nights that a nigga had to stay up  
If you owe a nigga gotta make sure you pay up  
Handle all my business then I go and roll a J up  
She was on gold, don't you never try and play us  
Tell your baby daddy yea it's cool that he hate us  
Cause we getting rich

We getting rich we got money forever  
Not just right now boy I want this forever  
Cooking up O's and it's taking forever  
She got it once now she want it forever

Got the iPhone jumping I ain't missing no calls I'm a answer ev  
ery one of 'em  
My homies said he want a half of one come to the crib and I'm a  
cook it right in front of him  
Your baby daddy he a fuck up  
He be fucking up the pack every time I be fronting him  
I hit the block, throw the testers in the air  
Hit the ground, fiends pick up every one of them  
Put that on me I be running up numbers  
Fucking up checks 'bout to fuck up the summer  
Fucking your bitch but you swear that you love her  
You can't fool me boy I smile undercover  
Champagne coming by the case load  
Hit your baby momma with a face load  
She my señorita bring me Pesos  
Chicken with the cheese I need queso

We getting rich we got money forever  
Not just right now boy I want this forever  
Cooking up O's and it's taking forever  
She got it once now she want it forever
