

Make It Last

Chevy Woods

Should, yeah
You should, you should, yeah
You should, you should, yeah
You should, you should, yeah
You should, you should, yeah
You should, you should, yeah
(on the track)

Uh
You should let me show you just how good it is
And you should just pull up, don't make me wait for it
'Cause I know that you want it just as bad
And I got rounds to give you, girl, you just gotta make it last (Ayy, lil' b
aby, this is what I need)

She a freak like me, she love Adina Howard
She be on that '42, I'm rollin' up the loudest
She never been up on a jet, I let her meet the palace
Say he had to leave that last loser, he was super childish, uh
Now she wanna party, we was listenin' to PARTY
VIP shit, you ain't listed at the party
Whispered in her ear, we went missin' at the party
Bottles of McQueen, it's just different when we party
She from the hills, said her parents bought her condo
She a paralegal, I just think I hit the lotto
And it's crazy how she throw that back
Closed curtains, she be makin' it clap
Spend it on her then I'm makin' it back
First time, she ain't know to act
Cheese, eggs in the morning, yeah, I'm fuckin' with that, ha
Ayy, yeah, I'm fuckin' with that
Flag on the play, baby, gotta bring that back
What's up?

Uh
You should let me show you just how good it is
And you should just pull up, don't make me wait for it (Pull up, pull up)
'Cause I know that you want it just as bad (Yeah)
And I got rounds to give you, girl, you just gotta make it last (Oh yeah, uh
)

Brand new Lexus, she a stallion like Megan
Baby, you a boss, fuck them other bosses in the section
We just level up, we don't conversate with peasants
Made it rain on her how I showered her with presents
Uh, five star meals, Forgiato wheels
Baby, you the blueprint and I'm just tryna build
Just tell a real nigga how you feel
Ayy, how you feel, baby, how you feel?
Uh, whole hood love me, used to serve it out a Buggie
Pussy so good, fiendin' for it like a junkie
Uh, and you got what I need
Tell that nigga catch up 'cause I'm twice his speed, for real, yeah
It's goin' down, pop the champagne
Baby, don't you trip, he got the TEC with the shoestring, ha
I gotta stay with a shooter
You gon' find out that's how I maneuver

Haha, yeah

Uh

You should let me show you just how good it is
And you should just pull up, don't make me wait for it (Pull up, pull up)
'Cause I know that you want it just as bad
And I got rounds to give you, girl, you just gotta make it last

You should, you should, yeah
You should, you should, yeah
You should, you should, yeah
You should, you should, yeah
You should, you should, yeah
You should, you should, yeah

Uh

You should let me show you just how good it is
And you should just pull up, don't make me wait for it (Pull up, pull up)
'Cause I know that you want it just as bad
And I got rounds to give you, girl, you just gotta make it last
