

## Switch

Chevy Woods

Aye, you know it's cash or plastic when we pull up for the purchase (aye bitch you know)  
All this dirty money gotta clean it with detergent (yeah)  
I just put a switch on this new Glock, don't make me nervous  
Might just give a tip to that little bitch, she clean the surface  
Speeding on the freeway like a race, I'm switching lanes  
Hit her once then I went ghost  
Take the pleasure with the pain  
Aye I ain't one of them  
I'm with my shooter, he like Trae Young  
Told him he just props for the camera, these ain't fake guns (yeah yeah)  
Subliminals don't move me, put a addy on that shit  
Try to say she ain't a groupie, being everybody's VIP  
Look the bottles girls look better than the strippers, that's the caption (aye that's the caption)  
Found out he a troll with all that talking and no action

Put a switch on it  
I just put a switch on it (I just put a switch on it)  
Put a switch on it (put a switch on it)  
Put a switch on it (put a switch on it)  
I just put a switch on it (I just put a switch on it)  
Put a switch on it (put a switch on it)  
Put a switch on it (put a switch on it)

Aye gotta be on point 'cause I can't crash out on no pills (I can't)  
I seen he post his IG, I'm crushing her for real  
I let the police do their job, you niggas helping out  
They thought that is was dry, but I still had it in the drought (yeah yeah yeah)  
Drop it in the pot before we drop it in that bag  
Twenty junkies spend four grand a piece a week, do you the math (gang)  
He air-tagged her car at the Four Seasons where he found her at (pussy)  
Bitch that ain't my problem, where my fucking money counter at Franklins first, I put the Jacksons to the side  
Took the shooters out to dinner, then I paid 'em for the slide  
Ain't no hiding out (hiding out)  
These niggas throwing rocks and high hands  
Busting through these bricks, it make me smile, bitch I'm the Kool-Aid man (yeah)

Put a switch on it  
I just put a switch on it (I just put a switch on it)

Put a switch on it (put a switch on it)  
Put a switch on it (put a switch on it)  
I just put a switch on it (I just put a switch on it)  
Put a switch on it (put a switch on it)  
Put a switch on it (put a switch on it)
