Chevy Woods

Man look how far we came without you nigga's  
Ya'll play both sides, so now we gotta out you nigga's  
My grandma said there would be days like this  
And I know grandma, they hate me gettin' paid like this  
All these diamonds on a nigga, damn  
Gotta pray every night, could have been stuck in that can  
These Jordan 12s on a flight to ...  
And I told you nigga's before, I'm still reppin' the set  
Champagne and the lobster get your shell cracked  
And that bullshit come for free, so you can sell me that  
Shooters outside, so don't you wait for us  
And they make any place safe for us  
Ain't got no talents so they blame us for it  
And we never show up there if they don't pay us for it  
Brown bag, word to Jeezy and Cali  
To the grave to a lot of shit, I don't speak about it

Bring your friends and let's celebrate life, and toast to your ...  
Damn, ew girl I know you love it  
Underrated, but I'm still like ❶fuck it❷  
Underrated and I fuckin' hate it  
The ... want from you, they don't want you to make it  
Gettin' so much, got me dressin' the latest  
And I swear to max all the hatin' they wavin'  
Underrated, but I'm still like ❶fuck it❷  
Underrated and I fuckin' hate it  
The ... want from you, they don't want you to make it  
Gettin' so much, got me dressin' the latest  
And I swear to max all the hatin' they wavin'

Walkin' off stage, they screamin' encore  
Just cracked the panel, it's a hundred, in that car door  
And I'll never forget where I come from  
Heard em' say that they want it, better go and make em' some  
It's tug-of-war for that pull of attention  
Damn, all these hundreds, I forget to mention  
Make it hard for me to answer calls  
Keep it real my nigga, you know I still fuck wit ya'll  
Yeah, I'm drinking champ it's like ten in the morning  
I don't just do this for me, you know that I do this for ya'll  
Cause wasn't nobody there for the fall  
And just to think, I did this for my dogs  
We livin' different, we don't speak the same  
Make sure that convo money if you say my name  
Yeah, I did all this outta Pittsburgh  
Pistols aim, shots fly, clips burn

Bring your friends and let's celebrate life, and toast to your ...
