

Bubblegum Party

Chevy

It's been a little bit lonely
These days keep coming by slowly
It's such a shame
Not having a friend to call my name
Oh, I've been trying to recall
But I can't seem to do it at all
At times it's hard
Just waiting for something to spark

Then you came through
Like a light it's true
Guiding us through the dark
Like something to cleanse our memories
Bringing us a fresh new start

I wanna be right where you are
You know we're just a call away
Oh, with you it feels like dancing to the beat
A bubblegum treat
Nothing compares to you
I wanna be your shining star to brighten your cloudy days
Be the one to give you everything you need
A friendship that's complete
It's true
Oh, we'll always be there for you

Even when your faced with troubles
Just know we'll be there on the double
Together we can do anything in this world

I wanna be right where you are
You know we're just a call away
Oh, with you it feels like dancing to the beat
A bubblegum treat
Nothing compares to you
I wanna be your shining star to brighten your cloudy days
Be the one to give you everything you need
A friendship that's complete
It's true
Oh, we'll always be there for you
