

## Got To Go

Chiara Civello

Got to go got to go  
Got to go got to go  
Got to go got to go  
Got to go got to go  
Cause it's so hot in here  
My eyes are filled with tears  
Got to go got to go  
Got to go got to go  
I am going out of my mind  
Don't try to find me  
Got to go got to go  
Got to go got to go  
Got to go got to go  
Got to go got to go  
You've been so cruel my dear  
Me eyes are filled with tears  
Got to go got to go  
Got to go got to go  
I'm going to leave you behind  
Dont' try to find me
