

# Good Times

Chic

Good times  
These are the good times  
Leave your cares behind  
These are the good times

Good times  
These are the good times  
Our new state of mind  
These are the good times

Happy days are here again  
The time is right for making friends  
Let's get together, how 'bout a quarter to ten?  
Come tomorrow, let's all do it again

Boys will be boys, better let them have their toys  
Girls will be girls, cute ponytails and curls  
Must put an end to this stress and strife  
I think I want to live the sporty life

Good times  
These are the good times  
Leave your cares behind  
These are the good times

Good times  
These are the good times  
Our new state of mind  
These are the good times

A rumor has it that it's getting late  
Time marches on, just can't wait  
The clock keeps turning, why hesitate?  
You silly fool, you can't change your fate

Let's cut the rug, a little jive and jitterbug  
We want the best, we won't settle for less  
Don't be a drag, participate  
Clams on the half shell and roller-skates, roller-skates

Good times  
These are the good times  
Leave your cares behind  
These are the good times

Good times  
These are the good times  
Our new state of mind  
These are the good times

Good times

Good times  
These are the good times  
Our new state of mind  
These are the good times
