Chic

Get in it, to win it  
Get in it  
Get in it, to win it  
Get in it

Get in it, to win it  
Get in it  
Get in it, to win it  
Get in it

It may not be my place  
To say this to your face  
So clearly  
So clearly

Hope you're not the type  
To drop all kinds of hype  
Sincerely  
Sincerely

I need to know if we can grow into this mode together  
Let's set the record straight  
Don't wait till it's too late  
Let nothing stand in your way

Get in it, to win it  
Get in it  
Get in it, to win it  
Get in it

Get in it, to win it  
Get in it  
Get in it, to win it  
Get in it

It may not be my place  
To say this to your face  
I wish  
I wish

These personal remarks  
Could open up your heart  
Honest  
Honest

I need to know if we can grow into this mode together  
It's all I have to say  
I am here to stay  
Let nothing stand in your way

Get in it, to win it  
Get in it  
Get in it, to win it  
Get in it

Get in it, to win it  
Get in it

Get in it, to win it  
Get in it

Get on down  
Just get on down

It may not be my place  
To say this to your face  
So clearly
