

## My Feet Keep Dancing

Chic

Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing

I need some help, I get beside myself  
And I got so many things in life to do  
Like, reach for a star  
Or maybe shoot ten under par  
I'd like to do it all before I'm through  
Fly into space, or maybe save the human race  
All these things seem so appealing  
But I'll never get the chance  
'Cause all I do is dance  
My mama said my brains are in my feet

Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing

Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing

Papa told me  
Every night when he would scold me  
He knew I'd never make him very proud  
So I ran away from home to live all alone  
And make myself a stand-out in the crowd  
Then it hit, my ideas began to fit  
I had to be what I was meant to be  
Now my name is up in lights  
And I hoof here every night  
They were right  
My brains are in my feet

Dancing, dancing  
My feet keep dancing, dancing, dancing  
My feet keep dancing, dancing  
My feet keep dancing, dancing, dancing
