

Your Love

Chic

Your love, your love
Makes my world
Your love, sweet love
It makes my world go 'round

Your love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

Your sweet love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

I pocket all my sorrow
Never fear tomorrow
We're so strong together
We can last forever

Your love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

Your sweet love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

There's no love like ours
You're my Higher Power
I can't get too much
And it's never enough

Your love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

Your sweet love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

What your love does for me
The key that sets me free
To be what I can be
With full intensity

When your name, I speak
Sometimes my soul gets weak
All my eyes can see
Is you

In a world with me
In a world with me
In a world with me, yeaheah
In a world with me

There's one thing I know
I'll follow where you go
Till the end of time

You'll always be mine

Your love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

Your sweet love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

Your love makes my world go 'round
(Go 'round, go 'round
Go 'round, go 'round)

(Go 'round, go 'round
Go 'round, go 'round)

(Go 'round, go 'round
Go 'round, go 'round)
