

Child's Prayer

Chicago

Now I lay me down before I sleep
Pray the Lord my soul to keep
Stay with me Jesus through the night
'til I wake in the morning light

Merry Merry Christmas
Glory to the King.

Now I lay me down before I sleep
Pray the Lord my soul to keep
Stay with me Jesus through the night
'til I wake in the morning light

Christmas day is coming
Glory to the King

God bless us on this Christmas day
Peace on earth for this we pray
Love is a gift we all must give

Love is all there is
Love is all there is
Love is all there is
