

Vote for Me

Chicago

Vote for me, vote for me
I want the nomination for the Presidency
Vote for me, vote for me
If I am elected, this is how it will be

I'll cut your tax in half, I'll make the Russians laugh
I'll feed the hungry people everywhere
I'll bring the railroads back, new trains and new track
From Waikiki to old Delaware

Vote for me, vote for me
I want the nomination for the Presidency
Vote for me, vote for me
If I am elected, this is how it will be

Joys from you, new cars that run on beer
Or anything except gasoline
I'm looking to the sun, more power for everyone
And the cleanest skies that you've ever seen

I'm don't wanna kid you, there's a lot to do, yeah, yeah
Little I can promise, it's really up to you
If we all work together and I think we can, yeah
And if you want some new ideas, I'm your man

Vote for me, vote for me
I want the nomination for the Presidency
Vote for me, vote for me
If I am elected, this is how it will be

I'll work for global peace and the sweet release
Of the love and human kindness in us all
I would give all I've got, you just give me a shot
Somehow, I know that I can win in the fall

Vote for me, you got to vote for me
I'm a winner, baby
I am the man, yes, I am
Here I am, I'll do everything I can

Well, I'm a winner
Yes, I'm a winner, baby, yeah
Cheap common , baby, comin' in
Now, won't you give me a chance?

You missed the cash
I wanna see some chicks in the mess
Talk about money

Come on, baby
Twist and shout
'Cause I'm a winner, baby, baby
Yes, I am a winner
I'm a winner, baby
You got to vote for me, vote for me, vote for me
