

What You're Missing

Chicago

All we wanted was each other
Nothin' more
You were looking for an answer
You were out the door

I didn't know what you were after
I knew you had to take a chance, girl
Did you forget about the laughter?
Say oh, oh no

Ooh, what you're missing
Could have been yours from the start
You won't listen when it's coming from the heart
Now you're missing me
You'll find that out when we're apart

Had some crazy conversations
You know they seemed so right
Remember how it used to
Keep us up all night?

I didn't know what you were after
Maybe there never was an answer
Did you forget about the laughter?
Say oh, oh no

Ooh, what you're missing
Could have been yours from the start
You won't listen when it's coming from the heart
Now you're missing me
You'll find that out when we're apart

I didn't know what you were after
Say no, oh no

Ooh, what you're missing
Could have been yours from the start
You won't listen when it's coming from the heart
Now you're missing me
You'll find that out when we're apart

Could have been yours from the start
Could have been yours from the start
When it's coming from the heart
Could have been yours from the start
When it's coming from the heart
