Right here, right now
Right here, right now
Right here, right now

Right here, right now
Oh, say it again
Say it again
Give it up now

Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now
Right here, right now

Say it again
Say it again
Right here, right now
Say it again
Say it again
Right here, right now...
