

Freefall

Chicane

Thought I'd seen it all
Looking out there
Thought I'd seen it all

I thought I'd seen it all
Going in I
Think I've done it all

Thought I'd seen it all
Thought I'd seen it all
Freefalling
Freefalling

I thought I'd seen it all
Freefalling
Think I've done it all

I thought I'd seen it all
Going in I
Think I've done it all
Thought I'd seen it all
