

Friendship (Is A Small Boat In A Storm)

Chicano Batman

You've got an open heart
So you share what's inside
Thinking that all is said in confidence
But then you realize

(Friendship is a small boat in a storm)
The sun is getting heavy
(Friendship is a small boat in a storm)
The cold is breaking my heart
(Friendship is a small boat in a storm)
This boat is incredibly unsafe
(Friendship is a small boat in a storm)
It's falling apart

Now play your part
You're along for the ride
Thinking that all is said in confidence
Yeah you realize

(Friendship is a small boat in a storm)
Now I'm swimming in the sea
(Friendship is a small boat in a storm)
Floundering desperately
(Friendship is a small boat in a storm)
Tryin' to get a grip on my emotions
(Friendship is a small boat in a storm)
I'm falling apart

Happy to know until the clouds start singing
The wind is high and the waves scary
Oh lord, only you know, I've had enough

(Friendship is a small boat in a storm)
My momma said don't trust nobody
(Friendship is a small boat in a storm)
Cause they'll stab you in the back and take your money
(Friendship is a small boat in a storm)
You live and you learn
(Friendship is a small boat in a storm)
If you wanna live, you better learn so you don't burn
(Friendship is a small boat in a storm)
Yeah

(Friendship is a small boat in a storm)
Better start swimming, brother
(Friendship is a small boat in a storm)
Cause I'm drowning, I'm sinking brother
(Friendship is a small boat in a storm)
You live and you learn
That friendship is a small boat in a storm
