

## Losing My Mind

Chicano Batman

I see the way the tide is turning  
Learn to stem the flood of yearning now  
So many pictures light up in my head  
Grovel over everything she says

Losing my mind over you  
Losing my mind over you  
Losing my mind over you  
Losing my mind over you

You'll never change what you can't control  
Like getting a grip onto her soul  
So many confusing thoughts go round and round  
Make it easy for you to put me down

Losing my mind over you  
Losing my mind over you  
Losing my mind over you  
Losing my mind over you

One day it will all disappear  
Along with all my senseless fears  
I'm not sure what there is above  
All I know is that I'm here for you to love

Losing my mind over you  
Losing my mind over you  
Losing my mind over you  
Losing my mind over you

I'm losing my mind over you  
I'm losing my mind over you  
I'm losing my mind over you  
I'm losing my mind over you
