

## Wounds

Chicano Batman

I woke up from a beautiful dream  
It felt so good to see you smiling merrily  
But now you're just a memory  
Reality is so cruel leaving me

Wounds that never heal  
Since you've been gone  
Wounds that never heal  
It pains me so much that I can never see you again  
Wounds that never heal  
Nothing will ever be the same  
Wounds that never heal  
You're no longer alive, you live forever

There is not a day that goes by  
That I don't think of you  
You're the center of the firmament  
The essence of all permanence  
You make me shake in my sleep  
I wish I could always keep you  
So I would never feel

Wounds that never heal  
Since you've been gone  
Wounds that never heal  
It pains me so much that I can never see you again  
Wounds that never heal  
Nothing will ever be the same  
Cause you're gone  
Wounds that never heal  
You're no longer alive, you live forever...
