

Let's Twist Again

Chicory Tip

Come on let's twist again
Like you did last summer
Yeah, let's twist again
Like you did last year

Do you remember when
Things were really hummin'
Yeah let's twist agin
Twist the time is here

Well, around and round and up and down
We go again
Come on baby make me know you love me so

Let's twist again
Like you did last summer

Yeah, let's twist again
Like you did last year

Well, around and round and up and down

We go again
Come on baby make me know you love me so

Let's twist again
Like you did last summer
Yeah, let's twist again
Like you did last year

Oh come on and let's twist again
Like you did last year
