

Survivor

Chicory Tip

I was born a motherless child
I was born right in December
And the only thing I remember
Was growing up all alone

Without love or friends to help me
The odds were high against me
But I kept on fighting
And I made it on my own

'Cause I'm a survivor, survivor, survivor
No, no, no one puts me down
I'm a survivor, survivor, survivor
No, no, no

If I'm down I'll never be losing
Although I'm far behind you
I'll come bouncing back to remind you
I'll never stay on the floor

So I hope you'll say you love me
But if that's not how you're feeling
I'll just keep on trying
Till I'm back on top once more

'Cause I'm a survivor, survivor, survivor
No, no, no one puts me down
I'm a survivor, survivor, survivor
No, no, no

'Cause I'm a survivor, survivor, survivor
No, no, no one puts me down
I'm a survivor, survivor, survivor
No, no, no

'Cause I'm a survivor, survivor, survivor
No, no, no one puts me down
I'm a survivor, survivor, survivor
No, no, no

'Cause I'm a survivor, survivor, survivor
No, no, no one puts me down
