

# Too Much Soul

Chiddy Bang

Too much soul for the world  
Too much soul for the world  
Yeah, how my voice sound?  
Too much soul for the world  
Too much soul for the world

We been through everything and more, somehow still we  
made it merry  
When everybody, they play Hot N Cold, Katy Perry  
They criticize you because history they can't make  
And I gotta know there's something that's fake about  
these handshakes  
I'm too cold, flow too bold, we bring you that new soul  
Music, I got that brand new chicken noodle for your  
soup bowl  
Lanky like Manute Bol, faded I stole Snoop's bowl  
I'm here I found a loophole, like A track you search  
for fool's gold

Look out!  
Cause I'm just too fake for the world  
I know it's just a game to me  
I'm just too fake you see  
I wish I didn't have to be but watch out  
I got too much soul for the world  
It's breaking my heart in two  
I got too much soul for you  
I don't like it but it's true

From class clown to class king, now we ought to laugh  
They say now you gone superstar, can I have your  
autograph?  
And then I say yes, they too fake but I can't be  
stressed  
Say the way I do it so easy as, can I tell them where  
to go, no GPS  
And I'm still near it though, the top I cannot fear it  
though  
Gotta grapple with the fact that most these people  
didn't give a fuck a year ago  
My life was pretty as a face of a girl  
And watch out, I got too much soul for the world

Look out!  
Cause I'm just too fake for the world  
I know it's just a game to me  
I'm just too fake you see  
I wish I didn't have to be but watch out  
I got too much soul for the world  
It's breaking my heart in two  
I got too much soul for you  
I don't like it but it's true

Look out!  
Cause I'm just too fake for the world  
I know it's just a game to me  
I'm just too fake you see

I wish I didn't have to be but watch out  
I got too much soul for the world  
It's breaking my heart in two  
I got too much soul for you  
I don't like it but it's true

Look out!  
Cause I'm just too fake for the world  
I know it's just a game to me  
I'm just too fake you see  
I wish I didn't have to be but watch out  
I got too much soul for the world  
It's breaking my heart in two  
I got too much soul for you  
I don't like it but it's true
