Hundred-dollar bill as my towel in the bath
House on the sand, I can carve out a path
Baby tried to rip my damn heart out, I laughed
Work a bitch out, now she weak, what's a calf?
She just pushed a baby out, she workin' on her abs
Told her at my house is a gym, yeah, I have
Told her two plus one equals three, simple math
I should take my Lambo' and disguise it as a calf
Stick hit your ribs, now your ribs have a slab
Up the 40, put that bitch up on you like a tab
Check my Lambo', bitches crawlin' like a crab
Bitch, don't get it twisted, I'll drive it through a crowd
