I beat the beat up like it deserve a whoopin'  
I cut that boy off if he walk around woofin'  
I'm straight as a arrow, my Gucci hair crooked

Gassin' me up, yeah, they call me a motor van  
Heard y'all fall off like the hair on an older man  
'Member when mama was just like my only fan  
Touchin' a million, I'm not a chameleon  
Had to buy a new house 'cause my head hit the ceilin'  
I'm somethin' like Lauryn the way I be healin'  
I'm makin' the bread, it used to be crumbs  
I don't feel these niggas, the doc' said I'm numb  
The secret told me that I stand out like thumbs  
I'm countin' this chicken, it's faster with drums, I'm Whack
