Yo fuck them fuck boys

Remeber when I use to fantasize
Got this nina with me, you know she gon' ride
Blow a nigga down, Do or Die
They scared, go to church Bitch Kumayah
Them pistols get to bussin', Boo-ya-ya
You ain't with the Glo Gang nigga, who are ya?
Stay touchin' my phone, this just bitch just blew my high

This bitch just blew my high and I was high off all of these drugs

I walk in the mall and buy out all of these stores,
Nigga came out with two bags he thought he was
I was off that tho', Because I was high of all these lean
Let a nigga try me, I got my Glock forty
It got thirty shot in it, it gon' make em scream. (SCREAM!) (2x)

(PRAISE God!) (2x)

I gotta get high to balance my lows
I'm movin' to fast, I gotta pour a four
Spend lots of cash, mama used to be broke
(SOSA) (2x)
Cause I'm a shoot when I see my opponent
Shoot late ass nights and early ass mornings
But hold up I gotta roll me a dutch

I just spent a lot of money, now I'm tired
Remeber when I use to fantasize
Got this nina with me, you know she gon' ride
Blow a nigga down, Do or Die
They scared, go to church Bitch Kumayah
Them pistols get to bussin', Boo-ya-ya
