

Cocky

Chief Keef

This is your last chance
After this, there is no turning back
You take the blue pill, you story ends, you wake up in your bed and believe
whatever you want to believe
You take the red pill, you stay in Wonderland

My niggas goonie loonies
Six thou for my Rollie
Fifty thou for my Breitling
Bitch, three chains cost a Lotus
For a verse, cost a brick
For a show, cost a G
It's not an accident girl, baby you know I'm cocky
Cause I'm splurging, I'm splurging
I'm in a fast car and I'm swerving
Cops just got behind me, now I'm nervous
I think they did that shit on purpose
But I'm cocky and I know it
Baby, I ain't afraid to show it
L-E-D lights on, I'm always glowing
I'm cocky, I'm cocky
Baby girl, I'm cocky
