# Dolo

**Chief Keef**

Dolo
I'm rolling dolo
I'm rolling, I'm rolling

I'm rolling dolo, I'm rolling dolo
She call my phone, I decline that hoe
I'm rolling solo
Girl, I'm rolling dolo
I can't trust a soul, I'm rolling dolo
I'm rolling solo, I'm rolling solo
Baby girl, I'm rolling dolo

I'm rolling dolo, I'm rolling solo
My car full of smoke, and my eyes is low
I can't see the haters
Only thing I can see is paper
I'm smoking on dope, I'm fucking your hoe
She come to my house, then she go back home
I'm sitting on a throne, leave me alone
I did this shit alone, me on my own
I got my chrome, cause outside is home

I'm rolling dolo, I'm rolling dolo
She call my phone, I decline that hoe
I'm rolling solo
Girl, I'm rolling dolo
I can't trust a soul, I'm rolling dolo
I'm rolling solo, I'm rolling solo
Baby girl, I'm rolling dolo, I'm rolling dolo
She call my phone, I decline that hoe
I'm rolling solo
Girl, I'm rolling dolo
I can't trust a soul, I'm rolling dolo
I'm rolling solo, I'm rolling solo
Baby girl, I'm rolling dolo
