

# Glory Boyz

Chief Keef

Glory boyz in this bitch, we be fucking all them hoes  
And kush what we smoke, thought I had to let you know  
Only fucking with them bros, thought I had to let you know  
Sending shots to them fuck boys, thought I had to let you know  
We them niggas that's for sure, and I bet you know  
Wic City, Lamron, Glory Boyz, bet you know  
Blackgate, bet you know, y'all fake, bet you know  
Bang bang, bet you know, thought I had to let you know

Bullets flying your way, like a helicopter  
And we pull triggers like scissors, that chopper tear your block up  
Have my niggas do the drill, and they don't need no dollars  
All they need is a full clip, I yell "action" they let it holler  
You a bitch nigga go play, get the fuck up out my face  
Have my guys do the drill, we don't fuck with you no way  
300 nigga that's that, we some real niggas that's fact  
Got that bitch sucking my dick, while I'm rolling that loud pack  
I'm mustard niggas so catch up, it's a drill but you'll get wet up  
So don't ever disrespect us, like bad kids we reckless  
And all we know is drill, we train and go to kill  
Get money smoke loud and all we know is drill

Glory boyz in this bitch, we be fucking all them hoes  
And kush what we smoke, thought I had to let you know  
Only fucking with them bros, thought I had to let you know  
Sending shots to them fuck boys, thought I had to let you know  
We them niggas that's for sure, and I bet you know  
Wic City, Lamron, Glory Boyz, bet you know  
Blackgate, bet you know, y'all fake, bet you know  
Bang bang, bet you know, thought I had to let you know

Every day I'm in this shit, every day it's different shit  
I be chasing after that bag, and I'll be damned if I get bagged  
And I'm all about that cash, screaming "fuck the other side"  
And you know it's free the guys, all them niggas better duck  
It's a drill for them fucks, I don't fuck around with them fucks  
And it's Front Street and Lamron, Wic City that's my team  
And I slide up on Blackgate and do some drills with SD  
And they told me it's a drill so I called up All them niggas think it's sweet  
That's how summer they 'gone see  
All about the glory, everybody in the field  
Every day we in the field, every day we on drills  
And I tell my niggas it's real, because every day niggas get killed

Glory boyz in this bitch, we be fucking all them hoes  
And kush what we smoke, thought I had to let you know  
Only fucking with them bros, thought I had to let you know  
Sending shots to them fuck boys, thought I had to let you know  
We them niggas that's for sure, and I bet you know  
Wic City, Lamron, Glory Boyz, bet you know  
Blackgate, bet you know, y'all fake, bet you know  
Bang bang, bet you know, thought I had to let you know

Pay attention dumb fuck, we a team don't try your luck  
A couple bands up in my pants, I'mma need a belt to hold it up  
Bad bitches leave 'em stuck, I couldn't be talking get up

Rollin' tripping out that stuff, that kush it got my eyes puffed  
On the block getting money, no can't fuck around with them fucks  
Wic City they do hits, and it ain't no telling who they hit  
Front Street, Glory Boyz, keep the hoes on the dick  
Fuck niggas beat a face, I keep them heaters just in case  
City let em lay, Lamron ain't on the spray  
I don't fuck around with them fucks  
It's too many reals can't be a cake  
And them hoes we shell em down, they tryna fuck I want the face  
Fredo rolling up that stank, we act a jungle in the paint  
Drill

Glory boyz in this bitch, we be fucking all them hoes  
And kush what we smoke, thought I had to let you know  
Only fucking with them bros, thought I had to let you know  
Sending shots to them fuck boys, thought I had to let you know  
We them niggas that's for sure, and I bet you know  
Wic City, Lamron, Glory Boyz, bet you know  
Blackgate, bet you know, y'all fake, bet you know  
Bang bang, bet you know, thought I had to let you know
