You ain't smokin, boy you weak, hand made trash  
Pull up with some shooters and some hand made mags  
I just sip a sip outta handmade glass  
I just put my feet in some handmade boots  
And I live under a handmade roof  
And I only smoke on handmade joints  
I'm just really tryna make a handmade point (sosa baby)

Everything hand made  
Everything hand made  
Everything hand made  
Everything hand made, from the bags to the case, everything's h  
and made  
In Paris, goin' Kanye  
This Fendi came up today
