

In Love With The Gwop

Chief Keef

Girl u is my baby girl u is my baby
I gotta smoke some weed cause girl u drive me crazy
Man I wish a nigga try to take it
30 shots all to his brain yeah
Cause I'm in love with the gwop (9x)

I'm in love with ya gwuap (2x)
Let a nigga try to take it better come with his Glock
Better have 30 shots cause I got a 50 shot
And this motherfuckin Glock let it motherfuckin pop
Like bop bop bop at a opp or opp thot
Let any opp try me bet any opp drop
I don't care bout no thot I don't play bout my gwuap
And I pray that she don't leave me cause I fuck her off alot
