

Kane

Chief Keef

Glo Gang
You know how we rocking
You niggas scared to glo up, man
That's fucked up, man
Get off y'all ass, man
Stop hating, man
You see us shining, man
All diamonds off grinding, man
Fuck them goofies niggas
Fake ass niggas acting like they hitting stains, nigga
Now catch y'all ass, I'm blowing brains, nigga
And that's on my dead homies, nigga
You know how I'm rocking, nigga
I'm Tadoe, nigga
I'm out here everyday, nigga

Menace to society like Kane
Menace to society, I'm whipping kane
Menace to society, I got that kane
Menace to society, I got that kane, got that kane
Got that menace to society
Got that menace to society, got that kane
Got that menace to society, got that kane
Menace to society, got that kane

Got that kane for your brain
Got that candy cane for your main
Heard she sniff coke
I just sold yo bitch coke
I just sold yo bitch dope
Say she like smoking dope
Say she like deep throating big balls
And you know Almighty a big baller
I be flexing in that big toy
I call him my lil big boy
And my dick, that's a big boy
She hop up on it like a big toy
You know you ain't with the shits, boy
You know you ain't toting clips, boy
Been had clips, been extendeds boy
Been had fifties, boy
Now we got the Russian chopper
Send yo dumbass to a Russian doctor
Send you to a Russian opera
Dumbass had no business playing Russian Roulette
Fuck niggas killed Blood, now they dodging bullets
Fuck nigga want war, y'all can get it
Come to Illinois bitch, y'all can split it
Bitch we got beef boy, and chicken
Bitch we got 30 30's and 10 10's
Bitch we got dirty 30's that we giving away
We got Luger birdy birdys that we giving away
We got 223's with the weed and hit your face
Send my youngins to your block
And you know they got them chopper
Let the bitches go grrah, tah
Running down your block, buck

Pussy nigga
You ain't getting no pussy, nigga
You ain't got no thot
You don't drive no car
You ain't got no house
You live with your mom
Go and get you some
Fuck nigga, go and get you one, mill
Bitch I got a movie deal and I feel it
