

Know She Does

Chief Keef

She wanna be my thot
She wanna wear my watch
She wanna live in my house
She wanna be my spouse
Give her this dick, watch her run
Watch him bust his shit, watch him front
Hop in my car, watch me gunnin'
She like being with stars
I know she does

I like threesomes, not no 1-on-1
I got three daughters and one damn son
Shawty is a thotty with a body
She hop on top and ride me like a Harley
She throw it back I'm like whoa Kemosabe
Got a bunch of bitches in the lobby
And they turn't and they off mollies
Bitch this a thotty party
Xans got me lazy going crazy
Flats got me ready but I need to save it
Let shit die down then play it
I'm a Glo Boy fuck yo alien

She wanna be my thot
She wanna wear my watch
She wanna live in my house
She wanna be my spouse
Give her this dick, watch her run
Watch him bust his shit, watch him front
Hop in my car, watch me gunnin'
She like being with stars
I know she does
