Macaroni Time

Chief Keef

Buck, buck... its Macaroni Time
Buck, (buck)... and it's Macaroni Time
Bang, bang...
She say she love my car... fuck love
She see me with the stars, now she wanna know me now
Unh-unh, bitch I told you now, I'm actin' funny now
Buck, buck... and we scream "it's Macaroni Time!"

She say she like my car and she like how I forgi ride
She see me with the stars, now she wanna know me now
Unh-unh, 'cause I told her now, I'm actin' funny now
Buck, buck... fuck nigga, think it's Macaroni Time
Couple bucks for these bitches, let me slap them on they ass
Tough luck for these niggas, think they next, I'm on they ass
So what? Walk in court smelling like pack, I got them bands
Glo Boys, that's what Almighty Sosa got 'em sayin'

She wanna be a Glory Girl but she don't like my Glory Guys
I know this bitch is down, she wanna meet my mama now
But unh-unh, I gotta keep the earth rolling, let's get high
Light it up, and I guarantee that you gon' touch the sky
He say he gettin' money, but I know that that's a lie
I see ones and fives in your bankroll right now
But unh-unh, you ain't flexing, boy, you need some exercise
You cuttin' up, you need some GBE lessons now
I hear these niggas flexing, saying they know the Glory Gang
How you know us and we don't know your name?
Unh-unh, just bought a pint, I'm leaning right now, dumb fuck
Just popped a flat, I'm beaming right now, unh-unh
I feel like catching a honey right now, no love
I see an op, I'm dropping right now
She let me fuck... then I'm dropping, right now
I'm a hop up in that 'Rari, talk, I'm dropping right now

She say she like my car and she like how I forgi ride
She see me with the stars, now she wanna know me now
Unh-unh, 'cause I told her now, I'm actin' funny now
Buck, buck... fuck nigga, think it's Macaroni Time
Couple bucks for these bitches, let me slap them on they ass
Tough luck for these niggas, think they next, I'm on they ass
So what? Walk in court smelling like pack, I got them bands
Glo Boys, that's what Almighty Sosa got 'em sayin'
