

Milk Me

Chief Keef

(Holly-Holly-Hollywood J)

Seize the parking lot it's Mayday (day, day)
Folk nem riding with my AK, (AK, AK)
Bullets coming out like hair spray (spray, spray)
Fuck these niggas 'cause they're super, super fake (fake)
Kick it with your bitch like I'm Liu Kang
Post a pic of her tying my shoe (shoe) string (string)
I'mma count this counter like still, still, stee, stee!
Man I swear the system tryna milk me!

New two seater, new leather
New Beretta, new count, a new medal
New leather, new hoes, new money
New house, two levels!
New bag, new me
Patch on my pants it's a B
That remedy, best believe
I'm really high, ain't no catching me
Hair long, money long
Bitches like to smell my cologne
They get footlonged, fucked on
"Bitch, bye" sent home, fuck on
"Calm down, fucks wrong?
Stop calling my motherfucking phone!"
Move on, let alone, you be running 'round
Getting fucked on
