Chief Keef

I'm bout my check, Nike Air  
I am so unfair  
I think you need a chair  
Waiting on me to fail  
You say you seen some money  
Nigga tell me where  
Is it over there?  
Or is it in here?  
I'm going overseas I'm so used to Navy Pier  
My car from overseas, at the light bitches stare  
But I don't really care  
Hop out look at my gear  
I see Almighty Sosa when I look in the Mirror

I get money bitch I'm serious  
Riding fast my car so fierce  
My car bet my cops so furious  
My car bad like a lil kid  
I beat my bitches like my kids  
I treat these niggas like my kids  
Your inquires serious and I'm so serious  
Know I'm riding and I'm so feared  
And I'm so weird
