Tryna' stress me girl, nata I don't need it
No stressing no nata I'm weeded
Interest me if not I will be leaving [x2]

He flexin' like I'm not, I don't believe it
Check out my watch check out his watch is his singin'?
These lessons I'm teaching, they taught me it
God blessed me, I'm flexing, walking it
Pull up for that money I'm walking it
Pulled your thot I catch her im freezin' [?]

That money yeah I be stalking it
Got your bitch, I'm in ice, freezin'
Left with your heat if you are with it
Please do not ig or tweet it
The feds watching I do no snitchin'
I spend money, I do no bitchin'
I make money, I use no kitchens
Niggas washed up and I'll do those dishes
I'm tucked up and I need more tension
That thot I fucked her, she's in love
Shes like "no Chief Keef he's a drug"
Cops like "no Chief Keef he's a thug"
Niggas like "Chief Keef no he's a scrub"
But I'm countin' benjis no bucks
And thots I'm fuckin' plenty so what
I'll be like don't let me get no pennies or ones
Is you william just like wendy or what

I fucked her on top of tempedic
Tryna' stress me girl, nata I don't need it
No stressing no nata I'm weeded
Interest me if not I will be leaving [x2]
