Chief Keef

I tell my niggas, find Nemo, find Nemo, find Nemo
I tell my niggas, find Lil Gay, find Kemo, and find Nemo
When we see ya, Terentino
Pistols be Terentino
Who I trust? Me, Al Pacino
Come through clapping Al [?]

Come through busting out the trap like what the fuck
Buck to the buck, cut to the cut
Gun short, it'll smoke a nigga like a duck like dududu
Hop in my truck, caught a nigga lacking, caught him by the bleachers
The other bleachers, But I didn't see nothing
I'm a shoot [?] cause it's me and Nina and Reefer
Leave a nigga in the ER

Take the bail for [?]
Got ugly ass throw away guns, and some cute ass keepers
I told my boys to getcha, boy, don't get got
Come up in your kitchen, shooting up your pots
Shooting up your dishes with some guns with knives
Lookin' for ya nigga, where ya at?
Sneak dissin' where ya [?] at?
I'm king Mufasa, but I ain't no Simba yet
But I got KayKay, that's my little princess
Gave my nigga a golden spoon, like, could you cook with that?

Black guy come through shooting up cars nigga
Three hundred come shooting up Mars nigga

Find Nemo, find Nemo, find Nemo

Pistols be Terentino
Who I trust? Me, Al Pacino
Come through clapping Al [?]
