Is it something I gotta knowwww?  
Baby is it something I gotta know?  
Is it something I gotta know?  
Is it something I gotta knowwww?  
Baby is it something I gotta knowwww?  
Baby is it something I need to know?  
Let me know now  
So you can go now  
Move the fuck around  
Don't come back, around  
Nooooo  
Is it something I need to knowwww?  
Is it something I need to know?  
You know, I need to know  
I don't mean to treat you though  
But baby is it something I need to knowwww?

She gave me top it's that wet pack  
Whilst smoking on cat pack  
I don't know about that pack  
Nigga this is that jetpack  
You be smoking on wet pack  
That out the ass crack... pack  
I be smoking on jet lag  
Don't think my jet landed yet  
Steady texting my phone  
Baby tell me what's wrong?  
Out the front of my home  
Baby ain't there I'm gone  
Love me cause I got guap  
Would you like if my hair was gone?  
Would you like me if my hair was shorter  
Or if my hair was long?

Knowwww, ay, knowwww  
I want you to know this  
Knowwww  
You can tell me any day  
(Nooooo)  
You know, you know where I am  
I only got, I got thots  
I just wanna know  
Keep keep it real with them you know  
I know you wanna chill later  
Just keep it real with a nigga though you know?

Would you love me if my hair was gone?  
If my hair was short or if my hair was long?  
Would you love me if I didn't have the throne?  
Would you love me if I didn't have a song?  
If I didn't have mils would you still chill?  
Would you still be cool as fuck like a windmill  
And if I got locked up would you write to me everyday?  
And if I was in the army would you Skype me every day?
