

## Now It's Over

Chief Keef

Now it's over...

It's over I keep a big bankroll  
Some designer clothes oh  
Last year I didn't have shit will now it's over  
Keep me some hoes, a lot of hoes yeah  
Last year I cuffed that bitch, we'll now it's over  
Now it's over, now it's over  
Last year I didn't have shit, we'll now it's over  
Now it's over, now it's over  
Last year I cuffed that bitch, we'll now it's over

Learned how to cork myself, we'll now it's over  
Imma kill these beast like a fucking solider  
She gone give me top then imma slump her over  
And we ain't with the talk, boy we stole you over  
I be ridin' Raris, Rovers  
I got lots of guap you know it  
And we ain't with the talk, we blow it  
I got guap just watch me throw it  
They say I'm handsome, cause my bands up  
And I don't hold no hoe for ransome  
And if we see him out we blam him  
And if he want to argue, we damn him

I keep a big bankroll  
Some designer clothes oh  
Last year I didn't have shit will now it's over  
Keep me some hoes, a lot of hoes yeah  
Last year I cuffed that bitch, we'll now it's over  
Now it's over, now it's over  
Last year I didn't have shit, we'll now it's over  
Now it's over, now it's over  
Last year I cuffed that bitch, we'll now it's over
