The only thing I know is how to get this money
I'm a get it going, told amigo keep it coming
The only thing I know is busting down a brick
If shit get fucked up finesse a nigga out of chips
The only thing I know is busting down a bail
Throwing it in the bag and putting it on the scale
The only thing I know is how to break a bitch
Put her on the strip and told the bitch to get me rich

Bitch, I'm a nut

Shots fired, man down, bitch nigga, Mayday
Pull them pistols up, I bet them boys vacate
Only thing I know is all these niggas stunt

Call me Chief Sosa De Niro, flier than a seagull
Give my young boys kilos; they serving to your people
These niggas ain't 'sleep, though, know they know 'bout me though
Who that? I don't even know. I'm finna go see though
Hope he holding kilos, Rose bring 'em to me though
