

Randomly

Chief Keef

Got a 100 pounds coming in from Jamaica
Smoking on this damn purple, like the fuckin' Lakers
I just fucked on your thot now she wanna date me
See these rims I run my hands together like I'm baby

White VVS, Grey SRT, it's a hellcat you hear us pass your street
You playing defence we can't let it be
You might see me pass you smoking dope randomly
You might hear me stop and hit the gas randomly
I might ride pass on his bitch and spaz randomly
You might see me hop out getting gas randomly
You might see me pickin' up a bag randomly

I might randomly be in the trap oh yeah
I just wanna fuck her that's oh yeah
Swish swish swish the basketball yeah
Mama ask did you eat your vegetables yeah
You might randomly see me in your hood
I ain't gotta explain who I be understood
With the AR15 call me and I'ma fuck
Your bitch said you was sexy chocolate now you fudge
White diamonds 'round my neck like a fuckin racist
Smoking on this joint counting all this damn paper
And I'm steady chasing guap so niggas steady hating
Slop for this on a hoe now I'm fuckin' skating

White VVS, Grey SRT, it's a hellcat you hear us pass your street
You playing defence we can't let it be
You might see me pass you smoking dope randomly
You might hear me stop and hit the gas randomly
I might ride pass on his bitch and spaz randomly
You might see me hop out getting gas randomly
You might see me pickin' up a bag randomly

Smoke out the 448 that's randomly
Walk in the club 20 grand that's randomly
Left out the club I ain't got no bands on me
Play with them blue berries bitch on tangerine
Get the trap house jumping like a trampoline
Fourth person I can't be on the feds magazine
We at your head bitch, like maybe yeah it's Maybeline
She heard my [?] she got more water [?]
Cause I woke up with your head by my dick
He the type of nigga who gon kill you 'bout his bitch
Lift my wrist up that bitch feeling like a brick (Brr)
Big bands like I'm santa but I'm feeling like the Grinch
Might randomly pull up five five five like World War Two
She randomly see [?] wasn't at you
Pick her up she said pour a cup like up give me some of that juice (lean)
She hopped in smoked that mother fucking
Smoke she was like give me some of that too (dope)
[?] black and white for it but all I see is green
I don't see black and white boy
[?] just told me fuck niggas my appetite boy
Squeeze that bitch like a fruit, make strawberry lemonade boy
Ayy fam
