Nigga sit yo ass down
Man, what is you a class clown?
I'm smoking outta the pound right now

The money, I'm a rap about that
I know niggas get the money and make it all stretch
The lavish lifestyle, I'm gone preach about that
Cause I done been up in the streets, I did it already
This bitch said she want some Tiffany's
I told her you want you a Christmas tree
Told that hoe, I'm a rap about that
She like, I know you ain't kidding with me
Me and my lil' niggas hot sauce
They give me something to rap about
They gon come trough, extended clip
They gon fuck a round, put the mop on
That bitch calling my phone
Told that bitch that I'm not home
Told that bitch, I'm a rap about that
I can't leave it alone
I come through S Apollo, you can get a hollow
I just hit the lotto, I'm Otto with the auto

Nigga sit yo ass down
Man, what is you a class clown?
I'm smoking outta the pound right now
I'm on the mic right now like man
What the fuck I'm finna rap about?

What I'm finna rap about?
Man, what I'm finna rap about?
What I'm finna rap about?
