

## Runner

Chief Keef

Growing up, you ran the streets  
Learned young the cold street code  
It was hard times, nickels and dimes  
Then you hit that motherload  
Now you got the biggest piece of the action  
But you still can't find peace of mind  
I was with the street runners, we were street runnin'  
That bitch a, watch your damn back  
I was with the street runners, we were street runnin'

Gelato got me numb (Dope), I can't feel my tongue (Nope)  
Countin' all this paper, nigga, I just cut my thumb  
Cold start the Track', bitch sound like a gun  
You ever seen a Hellcat from 1961?  
Short bitches be fun (Huh?), bad bitches be dumb (Huh?)  
I buy what I want, nigga, you know I got the funds  
Don't make me spank that ass, lil' nigga, 'cause you my son  
I ain't gotta go to the family reunion, I'm still gettin' the bonds  
I can make a bad bitch out of a nun (Woo)  
I can get a bag in my sleep, I'm talkin' money  
I can smoke a bag in my sleep, I'm talkin' onions (Dope)  
I was with the street runners, we were street runnin' (Street runner)

I was with the street runners, we were street runnin' (Street runner)  
I was with the street runners, we were street runnin' (Street runner)  
We were street runnin' (Street runner)  
Sosa, baby, sick game (We were street)

Chief So' was a street runner, he could've ran track  
That bitch a street runner, watch your damn back (Huh?)  
You might catch a street runner on the Amtrak  
Niggas tryna be street runner, ain't no turnin' back  
I was in Chiraq ridin' with that Bernie Mac  
Niggas tryna blitz, we send 'em runnin' back  
Don't be tryna front, can get a burnin' back  
I can spend my earnings and then earn 'em back  
Low-key seen the foreign pass, the fuck was that?  
Say they love my cars, say they love them back  
Pack of police pulled me over smokin' pack  
God forbid they choke me, bitch, I'm chokin' back (Street runner)

I was with the street runners, we were street runnin'  
I was with the street runners, we were street runnin'

I was with the street runners, we were street runnin'
