Chief Keef

I get gwop now that bitch remember me
I send shots now them niggas hearing me
Step out the cut smoking like a chimney
I got all these racks on me now she feeling me
She salty (8x)

100 thousand for my car keys, million dollar house keys
She only wanna talk to me cause her boyfriend not me
I'm smoking on broccoli cause it's healthy for me
Plus I'm getting alot of money, I ain't never hungry
Guns mask black opps scream, a nigga try to rob me
If a nigga try to rob, he gonna be salty
Guns spraying like Oil Sheen
Hollows get a nigga off me
Make me feel like pac me all eyes on me
Ho's mouth drop when I ride pass cause my truck cost a lam
See this ice on my wrist and never when the lights go off like

Coughin' so damn hard put 3 grams in a blunt then I broke it do

Million dollar house keys, get the fuck off me

You could act like you ain't salty, that shit don't bother me
