

Slow Dance

Chief Keef

Turn the music up for me girl
Bang bang
Bang bang

Baby you and I, my, my, my, my, my
You are so just right, right, right, right, right
I love you so, I, I, I, I, I
I'm sorry if I lied, I'm not that guy

Yo, baby do you wanna slow dance? Slow dance
Oh, do you wanna hold hands? Hold hands
Yo, baby do you wanna slow dance? Slow dance
Oh, do you wanna hold hands? Hold hands
Oh, ay, bang, bang
Oh, do you wanna slow dance? Slow dance
Oh, do you wanna slow dance? Slow dance

I do not want your friends
Do you love me? Do you love me?
I do not want your friends
Do you love me? Do you love me?

Baby you and I, my, my, my, my, my
You are so just right, right, right, right, right
I love you so, I, I, I, I, I
I'm sorry if I lied, I'm not that guy

Yo, baby do you wanna slow dance? Slow dance
Oh, do you wanna hold hands? Hold hands
Yo, baby do you wanna slow dance? Slow dance
Oh, do you wanna hold hands? Hold hands
Oh, ay, bang, bang
Oh, do you wanna slow dance? Slow dance
Oh, do you wanna slow dance? Slow dance

I do not want your friends
Do you love me? Do you love me?
I do not want your friends
Do you love me? Do you love me?

Do you love me? Do you love me?
Oh, oh, oh, oh, oh, oh
All night
