

So Tree

Chief Keef

I remember when the big homies used to shit on me
Pull up in that mothafucka with the sticks homie
Cash falling out my pants 'cause the stick on me
Hand me the repellent 'cause this nigga bitch on me
Remember when I got OG'd by the OGs
Nigga you can stop acting like you know me
If I fuck a nigga bitch, I'm a do it lowkey
Pullin' out big banks 'cause I'm So Tree

Some trunk in the mail, weighin' the scale, buyin' the bail, smokin' on dope
'til my mind is dull
Nigga like me gonna find a way
Jeans like this you only find in Paris
Me and cash got some kind of marriage
I got too many diamond pendants
All this ice, I'm divin' in it
Brand new truck I'm riding in it
Me and the gang I'm sliding in it
LV's all on my denim
Wrist got big diamonds in em
Shades got them M's on em
Pockets got them bands on em
.40 got a fan on it
Accounts I put bands on it
Payed 6 bands for this Fendi
I get jiggy I get jiggy
Up this.223 I don't trust you, y'all look iffy
I got a 100 in this choppa since it's just 2 ya'll get 50
Dream chasing like Meek Milly
Riding with a 50 up yo city

I remember when the big homies used to shit on me
Pull up in that mothafucka with the sticks homie
Cash falling out my pants 'cause the stick on me
Hand me the repellent 'cause this nigga bitch on me
Remember when I got OG'd by the OGs
Nigga you can stop acting like you know me
If I fuck a nigga bitch, I'm a do it lowkey
Pullin' out big banks 'cause I'm So Tree

Slick I'm tryna get 20 bathrooms
Need a beach house down in Cancun
I got a view of the star and the moon
All this marble on the ground, grab a broom
Outside white red seats in the coupe
Cameras all around it I can see what you do
24's on it I can ride through the snow
Cops on my ass now I'm riding real slow
Got one cousin missin' all he know is sell dope
He don't even care about the touring and the shows
He don't even wanna fuck the bitches and the hoes
Everytime I visit he in the kitchen with the stove

I remember when the big homies used to shit on me
Pull up in that mothafucka with the sticks homie
Cash falling out my pants 'cause the stick on me
Hand me the repellent 'cause this nigga bitch on me

Remember when I got OG'd by the OGs
